Teachers are responsible for providing direct instruction to students and maintaining an environment conducive to learning

*To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skills and abilities required. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.*

Franklin Technology Center at MSSU is looking for a currently licensed Nursing professional for classroom and clinical teaching responsibilities in our Practical Nursing Program. This is a 10-month position. Beginning on July 1, 2017.

Qualifications:

Masters' Degree in nursing preferred, a Bachelor's at a minimum. Must be licensed in Missouri, have two years of full-time experience within the last five years, and five years clinical nursing experience within the last 10 years. Applicants must qualify for vocational teacher certification. The ideal candidate needs to be an effective communicator that can effectively assist adults in the learning process.

General Expectations:

- Supports the mission of Joplin Schools.
- Supports the value of education.
- Complies with the privacy rights of students.
- Safeguards confidential and/or sensitive information.
- Communicates effectively with all the members of the school district and community.
- Provides excellence in customer service both internally and externally.
- Reacts to change productively.
- Keeps abreast of new information, innovative ideas and techniques.
- Maintains accurate records and filing systems for accountability and audit purposes.
- Ensures that all activities conform to district, state, or federal guidelines.

Essential Functions:

- Communicate effectively with adult students.

- Provide counseling.
- Document student competencies.
- Ensure confidentiality of student records.
- Effectively monitors, instructs, and evaluates students in clinical settings.
- Identifies and maximizes utilization of available learning opportunities in the clinical settings.
- Comply with minimum standards established by MO. State Board of Nursing.
- 
- Act as a positive nursing role model for students and peers.
- 
- 
- Teach a portion of the curriculum of the Nursing program.
- Collaborate with the other nursing faculty to develop, implement and evaluate the curriculum for the Nursing Program.
- Participates in the recruitment and retention efforts for the Nursing Program.
- Participates in the Nursing Advisory Committee for program.
- 
- Carry out all other duties as assigned.

### **Physical Demands**

An individual who holds this position must have the ability to:

- Speak and hear in an environment where numerous conversations and activities may be taking place simultaneously
- Move around the classroom
- Read handwritten or printed material

### **Attendance**

Regular and consistent attendance is an essential function of this position.

*The work conditions and environment described here are representative of those that an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.*
