HISTORY OF LABOR DAY

Did you know? . . . Labor Day is an American holiday observed the first Monday in September. The first Labor Day was held in 1882. Its origins stem from the desire of the Central Labor Union to create a holiday for workers. It became a federal holiday in 1894. One of the reasons for choosing to celebrate this on the first Monday in September was to add a holiday in the long gap between Independence Day and Thanksgiving!
