COURSE DESCRIPTION: Students will participate in a variety of physical programs including weight training, cardiovascular activities, and fitness programs. The purpose of summer physical education is to develop muscular strength, speed, agility, and flexibility along with the skills required for a healthy lifestyle. Each session starts at the times listed below. In order to earn a ½ PE credit for the course, students must attend a minimum total of 60 hours in the PE/Weights course for the summer session.

Please note that Joplin School Board Policies will apply to all Summer School programs.

Students may take this class for no credit; talk to your school counselor for information. Taking the class for no credit best serves students who may take weighted high school classes like AP and Dual Credit.

Check here if you would like to take the class for NO CREDIT.

MONDAY - THURSDAY SESSION TIMES: (Check the desired time. Each session will last approximately two hours.)

- 6:30 am (Upperclassmen) 8:00 am (Upperclassmen) 8:30 am (Freshmen Boys)
- 9:00 am (Freshmen Girls) 9:30 am (Upperclassmen)
